Dear colleagues and community members

The Children's Health Queensland Hospital and Health Board held its September 2023 Board meeting at the Queensland Children's Hospital. The meeting was chaired by David Gow, who paid respect to the Traditional Owners of the lands on which we walk, talk, work and live.

The plan for engaging CHQ's stakeholders in the development of the organisation's new strategic plan was discussed and approved by the Board. This will ensure that a broad range of stakeholder groups, including children and young people and staff, will have the opportunity to provide input to the plan's development.

The Board also discussed ways of strengthening engagement with the workforce and consumers that will now be implemented.

The Co-Chairs of CHQ's Clinical Council attended the Board meeting to discuss the work of the clinical council and opportunities for the councils ongoing development with the Board.

The Executive Director, People and Governance delivered a presentation on preventing and responding to sexual harassment within the workplace.

The Board also received reports from the Executive Leadership Team covering operations and finance, patient safety and quality and nursing services.

The Board and Executive Leadership Team will undertake a range of actions following the meeting to progress our commitment to safe and high-quality healthcare.

On behalf of the Board, thank you for your ongoing commitment to keeping our community safe.
