

Terms of Reference

Finance and Performance Committee *(January 2021)*

The *Hospital and Health Boards Act 2011* (the HHBA) requires the Children's Health Queensland Hospital and Health Board (the Board) to establish committees prescribed under the *Hospital and Health Boards Regulation 2012* (the Regulation). The Regulation prescribes the establishment of a finance committee and provides that the Board may assign a different name to a committee if the name is appropriate having regard to the committee's function. Consequently, the Board has established the Finance and Performance Committee (the Committee).
